Super spacious indoors, the villa has a relaxing lounge with cosy sofas, an eight seater dining table and large, fully fitted kitchen. Three of the five bedrooms have floor to ceiling glass doors which open out onto a balcony, affording fantastic views of Penon de Ifach, a huge limestone outcrop in the distance. This villa is superb for those who prefer to travel on foot, as it's only a ten-minute stroll right into the centre of Calpe. Known for its long, white sandy beaches, modern bars and restaurants, Calpe is a favourite with beachcombers.

## Location

The Penon de Ifach rock dominates the skyline over the bustling resort of Calpe and is a fabulous landmark overlooking the town's fine sandy beaches below. There is a great balance of tourist attractions and local Valencian charm here, with a chic restaurant-filled harbour, three Blue-Flag beaches and a multitude of shops and bars.
