Villa Bel Roc

🛏 3 🚿 2 👥 5

It is so easy to feel pampered and taken care of from the moment you set foot in Villa Bel Roc, a contemporary three-bedroom rental property perched on a hillside. The luxury vacation home is quite close to the Cheval Blanc St-Barth Isle de France hotel, and it has elements that make you feel as if you settling into a luxury hotel suite. The villa is walking distance to Flamands beach.

And it would be a very welcoming two-bedroom suite. Villa Bel Roc has an impressive, inviting design and generous outdoor space. It offers indoor-outdoor living at its best. The living room and kitchen are essentially on the terrace, next to the swimming pool. There is a divider you can use in the rare case of inclement weather, but most of the year, there is no need. You are here to be one with the Caribbean and its cooling breezes.

The two bedrooms are private and protected. Both have king beds and are similar in size, although there is a slight difference between them. The master bedroom is situated behind the outdoor living room and has a spectacular bathroom with a bathtub in front of a window and a large dressing room.

The second bedroom is on the other side of the terrace. It is quite similar to the master in terms of size and amenities, except it has a smaller bathroom with only a shower.

The villa also offers a third bedroom in a separate bungalow at the entrance of the property which is suitable for a teenager or a nanny.
