On a lush hillside overlooking Marigot Bay and its lovely beach, Villa Case et Cuisine blends island comfort with casual sophistication and provides a perfect vacation retreat for couples or families with children. The main terrace with its teak table and chairs is ideal for poolside dining and socializing. At midlevel a broad wooden deck with lounge chairs is edged by a soothing waterfall which cascades into the pool. At top a gazebo offers a quiet place to relax.

The villa's light and airy interior spaces are a fusion of contemporary and traditional forms. Living and dining areas open to the front terrace facing the bay and the pool and garden to the rear. The open kitchen with breakfast bar is well equipped for the gourmet cook. Each of the two bedrooms has a queen size 4-poster bed. Adjoining the master bedroom is a stylish bathroom with private entry to the terrace and pool. A sunny loft with views of both the ocean and garden has a desk/workspace with computer/wifi/printer/fax and twin beds. The loft/workspace is available to all guests. For use of twin beds add an additional \$50/pp/night to rate.

Villa Case et Cuisine affords proximity to the restaurants and shops of St. Jean and the spas of several first class hotels. Located just off the shore road, it is a 2-minute walk to the beautiful Marigot Beach/Nature Reserve, perfect for swimming and snorkeling.
