Villa Cavo Mare Meltemi

3 2 6

Inside, the villa measures the impressive size of 135 sqm. All the furniture and decoration have been chosen with care to offer the most unique holiday experience. On the ground floor there is a luxuriously decorated living & dining area, a fully equipped kitchen and a master bedroom with a double bed and en-suite bathroom (with jacuzzi bathtub). The panoramic glass doors lead out to the swimming pool and jacuzzi offering direct views to the sea. The inner stair offers access to the 1st floor where there is another bathroom and two more bedrooms, one with a double bed and another one with two single beds. To offer an even more exclusive service to our guests, the villa is air-conditioned and the price includes maid service 6 times a week, linen/towels/pool towels, etc.

Outside is a true heaven for both adults and families. Providing sensational views over the ionian Sea, and being located within easy reach to many beaches as well as Zakynthos town, the villa is a true gem. Outside there are comfortable hammocks, sunbeds, barbecue and dining area, as well as a private pool (measuring 21sqm) as well as a private jacuzzi, all providing sensational views and relaxation. The pool and the jacuzzi are also scenically lit at night with RGB led lights.

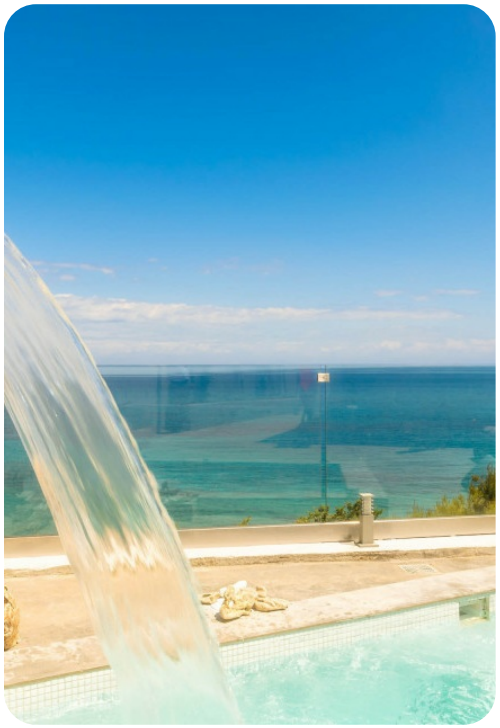

Good to know

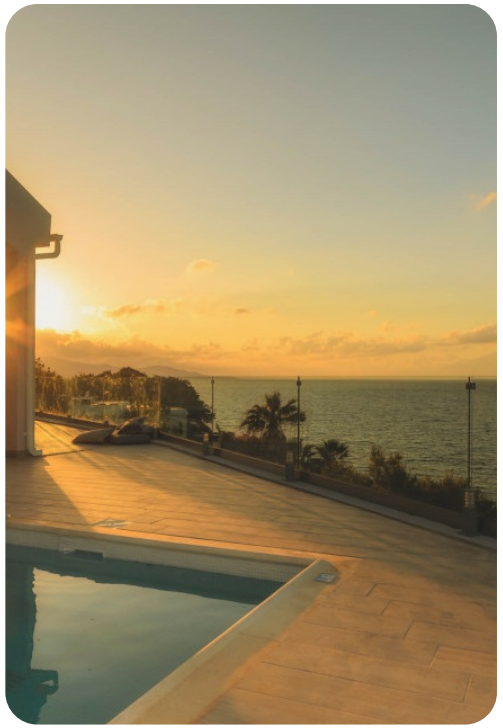

- Private parking is available within the premises and the villa is located within a secure complex.
- Youth groups under 25 years old are subject to approval, if accepted a security deposit of 1000 euros applies
