Villa Dei Sogni

In Italian, the name 'Dei Sogni' means "of dreams." Which makes it a very fitting name for the new Villa Dei Sogni, right on Lorient Beach. This luxury rental property is one of a kind on St. Barth. It gives guests an opportunity to deeply relax and experience true beach living.

The moment you step into the vacation home, you are mesmerized by the view of blue Caribbean Sea and swaying palm trees. Chilled-out holiday mode kicks in right away. When you are in Villa Dei Sogni you truly feel as if you are living in a dream - or in your own not-so-small slice of heaven. You feel strongly connected with nature and your batteries re-charge.

With six bedrooms, Villa Dei Sogni is well suited to groups of friends or extended families. The house is also ideal for young children, as they can play safely in the sand within the property's walls or directly on the beach.

The dreamily appointed villa consists of an open-plan living room with an extensive kitchen in the back. Nicely tucked away, there is also a TV room, which can also serve as an office. If that is what you need, know that productivity just flows when you know the beach is just steps away. What better motivation is there?

A good portion of Villa Dei Sogni is outdoor space. There, it is a celebration of having your feet in the sand in various areas to hang out. The alfresco kitchen/bar is a great spot for a leisurely breakfast or an early evening barbecue. There is a stone jacuzzi integrated in the garden; a good-size swimming pool; an outdoor bathtub and shower; and various corners and tables for lounging, sunbathing, or simply playing in the sand. There is also a direct pathway to the beach and the Surf Shack in Lorient, a good place for children and adults to take surf lessons during their island vacation.

The villa has six bedrooms with ensuite bathrooms. Each is named after one of St. Barth's™ beloved beaches. Two of these bedrooms are on the right side of the pool, and a third is on the left side. Two more are in a separate bungalow next to the main building, and these can be connected. The sixth bedroom occupies a separate bungalow in the back with a private small deck and outside kitchenette. All six have either king-size beds or twins that can be converted into kings.

Its location in Lorient puts it within walking distance of Jojo Burger, grocery shops, a local fruit and vegetable market, a bakery, and one of St. Barth's™ churches.
