Villa Enzuma

🛏 3 🚿 2 👥 6

A private, secret world unto itself, Villa Enzuma sits on a hillside high above Toiny. This luxury property is one of few vacation rentals in this area of St. Barth, which gives it superb seclusion and unique views of the Caribbean Sea. Fresh, serene, and modern, Villa Enzuma is bedecked with eye-catching contemporary art, including works by local artist Kate Kova. This is a villa designed for utter relaxation, a dream escape for one couple, close friends, or a family to share time together far away from the distractions of the outside world. Ocean breezes in your hair, warm sun on your skin, the sapphire sea dazzling your eyes. Its remote location ensures distance from the noise and crowds on the other side of the island.

The heart of Villa Enzuma is its open living area, kitchen, and large terrace, which has a hammock, infinity pool, and adjustable roof that accommodates your desires for sunshine or shade. The bedrooms lie on either side of this central socializing space. On one side lies a private bedroom with a queen bed and full ensuite bathroom. This room has wide glass doors that open onto the main terraces, as well as its own private terrace with a soothing water feature. This is a great spot for massages and other spa services. The second and third bedrooms are on the other side of the villa. One of them is generously sized, with a queen bed, elegant dressing room, double vanity, and shower. The other is smaller, with a queen bed but no bathroom facilities. The two rooms share the guest bathroom, and the shower in the larger room.
