On the main floor, from where the villa is accessed, there is a spacious lounge (satellite TV, wi-fi, air-con) with adjoining fully equipped kitchen (including dishwasher and all the most modern appliances), indoor dining area and WC. On this floor there is also an en-suite double bedroom and a huge bedroom with a mezzanine and its own bathroom. The latter bedroom has a double sofa bed on the lower part of the room and a double bed on the attic level. The third bedroom (again with double bed) is located on the lower floor and has its own lounge/playroom and bathroom. Most of the rooms open onto balconies with amazing views to the sea. For the comfort of our guests the whole house is air-conditioned.

Outside, the villa is surrounded by lush gardens and extensive terraces providing the most sensational views over the Mediterranean Sea and the resort of Agia Pelagia below. The large, private pool measures 50sqm and depth is between 1.2m and 1.6m . Comfortable sunbeds as well as parasols are provided for the guests for long hours of relaxation under the Cretan sun.
