Villa Kumara

🛏 3 🍽 3 👥 6

At Villa Kumara, beachfront luxury mixes beautifully with verdant gardens, providing guests with an unforgettable escape from the mundane. Inside, an open-plan living and dining area with a fully-equipped kitchen and breakfast bar, decked out in a soothing white color scheme, offers a comfortable space for guests to relax and take in the amazing views offered from this property as the indoors mixes seamlessly with the outdoor area, with direct access to the pool terrace available from this room.

The three bedrooms offer a king-size bed, queen-size bed, and bunk bed respectively, making this villa absolutely perfect for a family getaway.

Outside, the expansive pool terrace offers outdoor lounge seating, an alfresco dining area, an array of sunloungers, and - of course - a stunning private swimming pool for cooling off from the Caribbean sunshine. But that's not all! Guests will also benefit from direct access to the golden sand of St Jean Beach, right from the comfort of their vacation rental. Here you will find a second outdoor lounge area on the beach itself, allowing guests to relax with their feet in the sand, and a cocktail in-hand.
