Villa Les Sables indulges its guests with the best of all worlds: a terrace just steps from the sea, green lawns and swaying palms, a refreshing pool, and classic Caribbean comfort. This property's charm and convenient Lorient location make it ideal for both couples and families.

Villa Les Sables is composed of separate bungalows set back from the road, each bungalow with its own kitchenette in addition to the main kitchen. The bedrooms are similar in size and accommodation. The living room is in a separate bungalow and opens toward the beach on one side and to the deck and pool on the other.
