# Villa Lo Scoglio

🛏 4 🚿 4 👥 8

Simple, easy island living is the order of the day at Villa Lo Scoglio, an airy, breezy vacation home that honors all that is special about the St. Barth lifestyle. The luxury rental property has lovely views over Anse des Lezards.

The vacation home Lo Scoglio is situated just above Villa Lataniers. But whereas that villa is known for its exuberant celebration of travel, Villa Lo Scoglio takes a more restrained approach. That means a simple, largely white color scheme, and as few obstructions as possible between you and the view.

In most of the main rooms, one wall is made of mostly retractable glass. The open-plan living area, kitchen, and dining nook are fully air-conditioned. The feeling throughout is serene.

The two main bedrooms are on opposite sides of the living area. Both are accessible from inside and from the terrace. Each has a sizeable bed and comfortable ensuite bathroom, although one of these bathrooms is shared. The third bedroom is smaller and has a full bed and shares the bathroom (accessible only through the second bedroom) with one of the main two bedrooms, making it best suited for the children of the adults in room two. Each of the bedrooms has sea views.

The fourth bedroom is situated on the second floor of a separate studio behind the villa and it has its own kitchenette and ensuite bathroom.

The pool is on the lower level. It is small but enticing, with sea views and some sun beds lined up by its side. At one end of the upper terrace, near the primary bedroom, there's a Jacuzzi.
