Villa Mango - Colombier

3 3 6

Villa Mango is located high in Colombier and offers gorgeous views of Gustavia Harbor. The villa descends three levels down the hillside. The kitchen, dining and living area are on the top level. There are two bedrooms located on the lower level. These bedrooms are very elegant with hand crafted beds. The third bedroom is located on the lowest level and has a very tropical decor. The heated pool is down in front, offering spectacular views over the ocean (sunsets in the winter only) and to the neighboring islands. There is a heated Jacuzzi as well.
