# Villa Marcolis Cel

3 2 6

If you can tear yourself away from your villa the resort centre is a short walk away with a wide choice of restaurants, supermarkets and even a few bars in which to enjoy after dinner drinks. If that isnâ€™t enough to tempt you there is also a variety of sports available in the resort including tennis, boat hire, kayaking or even pedaloes for the little ones. There is something for everyone in Cala Galdana.

Location

Laying claim to the most beautiful beach in Menorca, Cala Galdana villa holidays offer a relaxing vibe and gorgeous scenery - just perfect for that well-deserved break. The horseshoe-shaped bay boasts soft white sand, shallow, turquoise waters and a dramatic limestone cliff backdrop, giving it an almost Caribbean feel. Water-sports aplenty are on offer in Cala Galdana, and a small wooden bridge over the ravine makes for a picturesque setting and provides the opportunity to walk along the headland and through the pine forests. There is so much to do on a villa holiday in Cala Galdana, but the pace of life remains slow and steady providing just the right balance.

Please Note

- This villa is in an exceptionally hilly/mountainous area
