

Overlooking the blue and placid bay of St. Jean, Villa Nikki offers contemporary style with beautiful panoramic views. The terrace is embraced by natural foliage and swaying palms, with a mirror-like infinity pool reflecting the blue sky. Ideally located in the heart of St. Jean, Villa Nikki is very close to the beach, restaurants, bakeries and shops.

The modern kitchen, dining and living areas are decorated in a chic and cozy style, and open onto the heated pool and the deck with its breathtaking ocean view. The master bedroom and the second bedroom are situated on the same level at the pool, whereas the third bedroom is on the lower level with garden view.
