A fine example of geometric design built out of natural materials, creating an ambiance of luxuriousness and classiness. We already know which one will steal your heart away, the large terrace with the seawater infinity pool adorned with white pebbles. Dive into your private pool to cool down after a long day of holiday bliss or relax in the shaded lounge area enjoying the unlimited sea views. In the evening, gather with your friends and family at the alfresco dining area to savor a BBQ meal that your private chef made just for you. As for the kids, they will love the green grass playground that is nearby, promising endless moments of fun!
