

Villa Plein Ciel is located on the peak of Camaruche, St Barts, hillside with a view over Marigot, Cul de Sac and Mont Jean. A very open villa combining Asian, Chinese and African styles.

The living area has a beautiful dark rattan weaved sofa with rich reddish brown overstuffed cushions and Asian teak armchairs. This area is light and bright as it opens onto the pool area in front and a pretty courtyard to the back and a magnificent night lighted garden in the evening. The dining room has a large dark wooden table with modern lavender bucket chairs, which marry beautifully with the otherwise "Stark style" of the dining area. The kitchen is modern with wooden and glass cabinets, stainless steel fixtures and granite worktops, fully equipped and separated from the dining room by a high bar.

The master bedroom has an ensuite large bathroom with access to a private deck with a Jacuzzi built into the rocks. The two other bedrooms share a bathroom and are decorated in a similar Asian style, TV in each bedroom. The pool is 12 meters long and has steps leading into it and a sitting ledge that runs the length of the pool, teak chaises lounges on the surrounding terrace.

A very private convenient and secure location. Built on one level with the ability to accommodate handicapped people and small children if necessary.

Please note that a 4-wheel-drive car is required at this property, as the driveway is quite steep.
