Villatel Village 15

🍷 11 🍴 11 👥 28

Just outside, a massive private swimming pool beckons for relaxation or play: Take a soak in the spillover spa, stretch out on a lounge chair, or get your game on with pool basketball, foosball, or ping-pong. And if all that playtime has worked up an appetite, whip up a meal without ever going back inside, thanks to the outdoor kitchen and covered patio. Start thinking of all the blockbuster movies you'll screen in your very own home theater. You will be so comfy in the reclining seats that you'll want to make it a double feature. Keep the popcorn and snacks coming! Next to the theater on the second floor, a roomy entertainment loft is a perfect spot for game nights. Challenge everyone to a game of pool, darts, ring toss, or wall Scrabble. Check out the gaming system, or belt out some tunes at the karaoke station. No need to let your workout languish during your stay. Put the state-of-the-art gym to the test, which features a treadmill, bike, free weights, and yoga mats. For the kids, this mansion's showstoppers are the two wildly imaginative themed bedrooms, which double as playrooms for nonstop fun until lights-out time.

Please note, for arrivals from April 17th through May 1st, 2024, the mandatory Villatel Village Resort Fee is charged at \$150/night.
