

Villatel Village

# Villatel Village 3

🛏 11 🛎 11 👥 28

The kids in your crew (or the kid in you!) will enjoy playing, climbing, and jumping in the immersive, one-of-a-kind treehouse playroom. And the themed bedrooms are just as impressive. In the Ice Planet themed room, be transported to a frozen planet in a galaxy far, far away, as you drift to sleep in a frost-covered spaceship AKA a set of bunk beds with a twisting slide that looks like a piece of epic space machinery. You won't escape the polar climate in the Frozen Forest room next door: a wintry fairyland fit for royalty. Designed with the look and feel of a quaint European village, you can slide from the rooftops (AKA bunk beds) to the beautiful valley below, and take in the scenic decor all around you. Resort Access: With decor and amenities this great, you may never want to leave the house (and we don't blame you!) But don't forget, you will also have access to all of the Solterra Resort's amenities: tennis courts, lazy river, central fitness center, and more.

Please note, for arrivals from April 17th through May 1st, 2024, the mandatory Villatel Village Resort Fee is charged at \$150/night.
