This large gathering area has plenty of seating and is the perfect place to set up a buffet or host a conference or meeting.
- Kitchen/Dining Room: The open-plan chef's kitchen is fully equipped and ready for you (or your designated in-house chef) to create a quick snack or full-out feast. Quality and beauty coalesce in this stunning space, complete with stainless appliances, custom blue, and white cabinetry, modern high-end fixtures and hardware, and bright woodgrain floors. The breakfast bar is a prime spot to share coffee or a happy hour cocktail. And a few steps away, the long dining table awaits memorable meals with your entire crew!

Home entertainment

- **Movie Theater/Arcade Room:** Movie night, anyone? Your own private home theater awaits with 10 comfy reclining chairs and an 86-inch cinema screen (don't forget the popcorn and snacks!). In this exciting garage-turned-play space, you can also enjoy some of your favorite arcade games for nostalgic good times (think Pac-Man and more).
- **Game Loft/Office:** Back inside, head upstairs to explore the spacious loft that's designed for work or play, depending on your mood. Enjoy additional lounging space, an oversize television, and a desk-and-chair set-up. Or challenge your friends/ family to a game of darts, poker, and more.

Outdoor area

- **Pool & Patio:** Step outside to test the sparkling blue waters of your private screened pool and spa. Jump in and swim a few laps, start up a game of pool basketball, play foosball on the patio, or just relax in one of the poolside loungers.
